

Off Campus Housing Resources

As with most community colleges in California, Glendale Community College does not offer on-campus housing or dormitory facilities. Students can explore [homestays](#) or look for rentals in the local area. Rent prices can be very different depending on the apartment size and what is included. Most apartments are not furnished and require a security deposit. Some apartments can be rented month-to-month, but most will require a year-long lease.

The College cannot recommend third-party services and is not responsible for the content on these sites, but we have gathered a list of sites that may be helpful to you in your search:

- [AirBnB](#) (short term rentals; it may be helpful to temporarily book a short-term rental to allow you to search for apartments after arriving to the US)
- [Apartments.com](#)
- [Apartment List](#)
- [Hotpads](#)
- [Rent.com](#)
- [Roomies.com](#)
- [Roomiez](#)
- [Student.com](#)
- [Trulia](#)
- [Zillow](#)

IMPORTANT: The International Student Office cannot help with finding apartments or signing leases. To avoid housing scams, use well-known rental websites and avoid person-to-person sites like Craigslist.
